### FEATURES>>

18 — 19

#### Partnership work

Watch your language! Let's bridge an unthinking gap between abstinence and harm reduction, and work towards the greater good of our clients.

20 — 21

#### Training

Read our 'Beginner's Guide' to working in the drug- and alcohol-treatment field, from entry-level qualifications to diplomas.

23

#### Prevention

Parents must assume that teachers are trying to prevent children from using drugs. "Wrong – they are using government guidelines."

25 — 27

#### Cover story

Paul Hayes of the NTA and other leading personalities predict the challenges facing organisations and professionals throughout 2008, to help you prepare for them.

29

#### Techniques

Psychodrama lifts to the ultimate level when you invite a complete theatrical company to your treatment facility. Or watch the play in public.

30 — 31

#### Standards

David Finney of the Commission for Social Care Inspection advocates the need for substance-misuse resources in mainstream care services.

33—34

#### Medical | Techniques

When pain is overwhelming, people in recovery can take painkillers and relapse – or refuse to do so and live in pain. We prescribe a solution.
