4 — 5

Highlights

Latest figures on drug use.. police call for rehabs... Cameron on “wild west drinking”... prescription-drug addiction... read on.

7

Treatment-centre visits

From HMP Littlehey to Winthrop Hall to the Ley Community, Tricia Dee explores prisons, ‘luxury’ treatment and a therapeutic community.

8 — 9

Who’s Who of events

Attending Castle Craig’s 20th anniversary, Prince Charles’ Foundation for Integrated Health, TrichoTech for the Queen’s Award... and more.

11

Misuse & addictions week

The first photos are through of the hundreds of people who held a vigil for those loved and lost through addiction/dependency. More next issue.

12

EATA update

Influence the welfare-reform proposals, let EATA help you comply with Criminal Records Bureau requirements, and join a workshop debate.

13

Alcohol Concern update

Influence alcohol regulations, new initiatives for young people and on domestic violence, and parliamentary enquiry into the future of services.

14 — 15

International

The World Health Organisation’s research on the most effective policies can inform your input to the UK consultation document on alcohol.

FEATURES>>

18 — 19

Survey: doctors under pressure

A startling 96.5% of doctors responding to our survey are treating people with alcohol problems – and 90.4% have seen people die from them.

20 — 21

Techniques: seeking best practice

When does harm minimisation become harm maintenance? An outreach worker pleads for a level playing field to replace a “cycle of harm”.

23 — 24

Research | techniques

At its annual meeting this summer, the Royal College of Psychiatrists disclosed the latest thinking on addiction/dependency issues.

28 — 29

Policies

If we adopt a system which purchases treatment outcomes – rather than merely numbers ‘in treatment’ – what are the implications for us all?

30 — 31

Techniques | nutrition

Renowned nutritionist Patrick Holford shares 12 keys to ‘unaddicting’ your brain, with detailed instructions on kickstarting via amino acids.

33 — 34

Policy: it’s now or never!

Take the chance to save lives – and money, urges Don Shenker. He explains the need to do so, and to get in touch before the end of September.

39

Techniques | supervision

“10 things I want to know” – William Powell calls for empirical research to support the vast experience of clinical supervisors.

17

Defining “recovery”

Let’s work together for a UK definition of recovery which can unite the alcohol- and drug-treatment field rather than fragment it.

26 — 27

Cover story: relapse prevention

An exciting development in the addiction-treatment field is the integration of stress management into the recovery process.

36 — 37

Book reviews

Our useful guides help with abused children, young people’s risky behaviours, adults facing childhood issues, and relapse ‘triggers’.

40 — 49

Directory | Referrals

Where you can find organisations to treat people with drink, drug, anorexia/bulimia, gambling and other addictive disorders.

50

Diary

Fill in the gaps in your training: be it cognitive behavioural therapy, motivational interviewing, self injury, or basic awareness of drugs issues.

50

Mutual-aid groups

The World Health Organisation and the UK’s ‘Orange Book’ and NICE *Psychosocial Guidelines* recommend mutual-aid groups; we give contacts.

5, 6

Recruitment

Read our job ads – and find many more at www.addictiontoday.org by clicking on *Career Development, Jobs and Training* at the top right.

WE ARE>>

The Addiction Recovery Foundation, publisher of *Addiction Today*, is a charity (reg no 328133) whose mission statement is to:

- provide advice, support and guidance to anyone suffering from addiction/dependencies and to those involved in their care
- educate, teach and train professionals working with people with drug and alcohol problems in the methods and practices for prevention of and recovery from addiction/dependency
- conduct and disseminate research into the care and treatment of people with addiction or dependency problems.
