Techniques | relapse prevention

Frustrating situations and exasperating or manipulative people can trigger relapse. We offer hints and tips to sail safely through.

20 — 21

Research into practice

Just as an archeologist searches for specialist treasures, Mike Ashton has been excavating nuggets of research findings for clinical practice.

22 — 23

Techniques | online connections

A successful online community can attract people into treatment and prevent relapse – and help members become valued contributors.

26 — 28

Cover story | phony war on drugs

This government spent £10billion on its drugs policy – but results are the same as if there had been no treatment at all, writes Kathy Gyngell.

30 — 31

Trends | future for rehabs?

Issues to develop are baby boomers, co-occurring services, return on investment, new treatment and commissioning models, and quality.

32 — 33

Best practice

When Noreen Langan received a MBE in June for work in the treatment field, she saw it as "a huge milestone for the recovery movement".

36 — 37

Who's who online

A UK first: InExcess TV garners national and international publicity for dozens of interviews with people in recovery and their supporters.

REGULARS>>

17

Recovery rights | join the march

The first recovery march in the UK will take place in Liverpool on 29 September – find the registration details here.

25

Editorial | myth of treatment

Has pouring £300million a year into methadone helped – or quicksanded the UK into the worst drug problem in Europe??

34 — 35

Book reviews

More and more, clinicians must document their work and show how they choose diagnoses, ethics and interventions. We offer some guides.

40 — 49

Directory | Referrals

Where you can find organisations to treat people with drink, drug, anorexia/bulimia, gambling and other addictive disorders.

50

Diary

Training choices: outcome-based commissioning, cognitive behavioural therapy, motivational interviewing – and the largest US symposium.

50

Mutual-aid groups

The World Health Organisation and the UK's 'Orange Book' and NICE *Psychosocial Guidelines* recommend mutual-aid groups; we give contacts.
